

MIKE STEPHENSON. SOUND RECORDIST

FREELANCE WORK HISTORY

Professional Sound Recordist who has spent over 20 years working for all of the major broadcasters in the UK. Filming extensively in studios and on location all over Britain and much of the world. Predominately experienced in the field of documentary and features for television but has also worked on drama and longer-term projects for cinema. Projects have extended to the BBC Concert Orchestra, filming in remote deserts, jungles and many extreme and technically challenging environments.
