

SAM DUDMAN. 3rd AD

I'm an experienced AD who has worked on HETV productions ranging from Band 4 to Band 1, working on location and within studios. I have extensive experience working with high profile cast and large crowds of SAs, 100+ as a Crowd 3rd and 400+ as a runner. I'm efficient at running a team and delegating tasks to ensure the 1st AD is supported. I intend to continue working my way up the AD ladder as my career progresses.
