

MERRYN RAE PEACHEY. ASSISTANT SCRIPT SUPERVISOR

she/they

Although I have an established collection of credits as Script Supervisor, I would like to gain more Assistant experience to help me develop key areas of my work. Firstly, I'm interested in learning as many different processes for the role as possible to develop and hone my own. Secondly, I hope to work on larger-budget productions as an Assistant before stepping up to Head of Department so I get used to how they are run. Finally, I'd like to work on my proficiency in the Skarrat software.

Experience working with: Minors, Stunts, SFX (fire), Crowds, Fight Choreography, Armourer, Action Vehicles, Low Loaders, Intimacy Coord, VFX Teams, The Volume (Virtual Production)
