

TOM FORD. PRODUCER

Commercials Producer working across the budget spectrum, from one day location shoots to complex global campaigns. Experienced in delivering challenging productions, with expertise in managing projects involving high profile talent.

Alongside traditional above-the-line campaigns, I have a wealth of experience overseeing direct-to-brand content, short films, charity films, documentaries, music promos and technical productions, including immersive content and animation.

Expert at pitching and bidding, I have delivered multiple campaigns end-to-end, from the initial bid stage through production to final delivery. I have produced shoots worldwide, collaborating with production partners across 30 countries.
